reiki healing

Reiki healing is a Japanese holistic therapy, re-discovered, as we say, by Dr. Mikao Usui. Practitioners use a technique called palm healing. Reiki can offer you compassion, peace and balance. It is a form of energy healing that seeks to re-align the body's energy centers; promote a sense of deep relaxation and enhance vitality.

Traditional Reiki

In-person healing session, in which all 7 chakras are assessed and re-balanced using Reiki crystals and palm healing.

In this consultation, specific chakras or problem areas can be focused on, if requested.

Rapid Reiki

An in- person 15min session, done with client seated on a chair. It is suitable for those with stressful jobs or anyone who needs a quick de-stress or re- set ritual.

Distant Reiki

Reiki session done remotely (i.e. across time zones or distances). Client sets date and time where they will be resting or stationary. Healing is done at that time.

Reiki Attunement

Group session of attunement to the universal life force energy or 'Reiki'; inspiring reflection, connection and spirituality.

‘Lorrena presents a very calm atmosphere, instantly I felt relaxed. Her soothing voice and reassurances set up a very peaceful and healing reiki session. I felt tired after the session but the next day I felt as though a weight had been lifted off my chest and I could see a lot of my doubts in clearer lighting’.

‘I had an incredibly transformative experience during my recent Reiki session with Lorrena. Her calming presence and skilled touch created a soothing atmosphere that allowed me to deeply relax and let go. The energy flow I felt during the session was truly remarkable, leaving me with a profound sense of balance and rejuvenation. What stood out even more was the thoughtful gesture of a card that Lorrena gave me at the end of the session, which personalized the experience and made it even more special.

I was also impressed by her use of crystals during the session, enhancing the energy and adding another layer of healing. I highly recommend Lorrena for anyone seeking a wonderful and healing Reiki session’.
